

# Absolutely Awesome

Low clouds over a volcano

Life,reflected- at a little different angle.

"On a clear day" wonder what you would see?

Luminescence is beautiful. Color is an amazing gift!

Interesting how God plans for our protection

So peacefull! The world going to sleep.

patterns of the winds

The world awakens. Notice that the bird's  
color and the rainbow match??

I want to live here.

Do you have them in something smaller?

Ring around the rosie.

Sharp eyes, sharp ears . . . . Dinner???

Niagara Falls at night.

Ahhhhh

Cat nap anyone? Beats a Beautyrest anyday.

How Majestic! Don't you wonder what  
our pioneers must have thought??

How breathtaking!!

Hope you remembered to fill the tank! A great opportunity for exercising your imagination, in the clouds as well as road side!! Love it!!

Winter in the Smokies. They really do look like this, a lot!

Never go swimming alone!! (He seems to be in camouflage)

Slippery when wet! (You could land on your askyermother very easily!)

Winter shows off her silver lining! Beautiful!

Now, that's a shower. What a bathtub, too!

WOW!!! A dandelion covered with dew. Love it!!

Come on!! Put 'em up, go on, put 'em up!!

Should you ever, really have any questions  
about our God given world . . . . .

And, again . . . . Any questions??

Life Is SO Good!!!!
